Design & Innovation

The pursuit of great design is central to everything we do at Taymor. It inspires our in-house product designers, guides our close collaboration with leading interior designers, and helps us create innovative and exclusive products that contribute to the success of any project.

Works of Arc

INTRODUCING *Arc Deco*, AN EXCLUSIVE COLLECTION OF COORDINATED DOOR AND BATH HARDWARE THAT EMBRACES SIMPLICITY AND EXPRESSION OF PURE SHAPE. EACH PIECE FEATURES STRONG INTERSECTING LINES THAT TRANSITION TO A DISTINCTIVE ARC, BALANCING STYLISTIC ELEGANCE WITH SCULPTURAL FORM.

PAGES
45 &
118–119

Message from *Vivian Zalkow* CEO

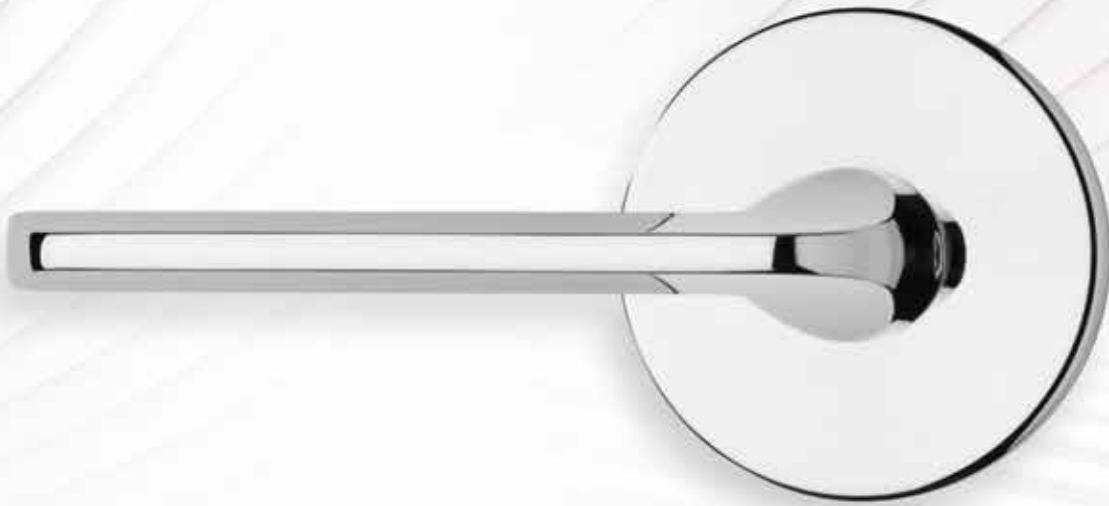

As we reflect on a year of transformational global change and look to the future, being a design-led company has never felt more important. Now more than ever, it's clear the spaces we call home have the power to enrich our lives and elevate our wellbeing—from serving as a source of comfort to being a point of long-lasting pride. At Taymor, thoughtful design that brings spaces to life has been at the heart of our offering for more than 70 years. I'm proud to say that tradition continues on every page of this catalogue.

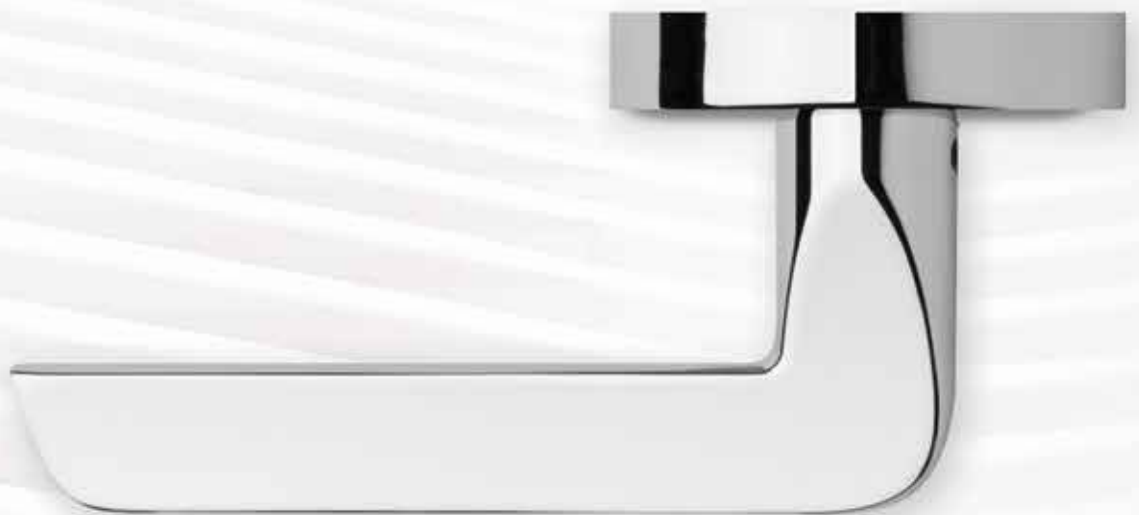

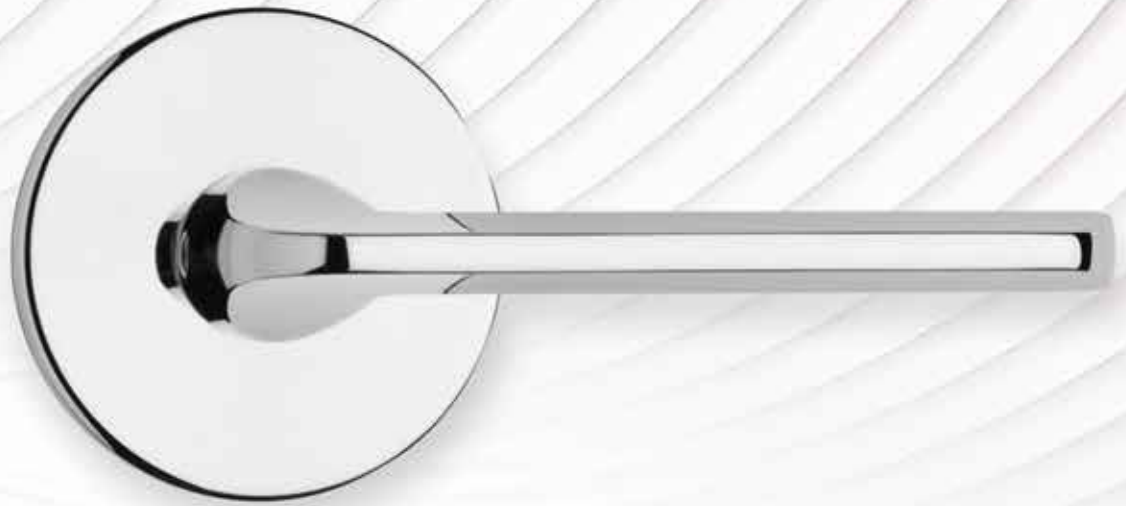

Creating Lasting Impressions *Since 1948*

Family owned since 1948, the same enduring values that motivated founder Jake Zalkowitz continue to inspire our company today. Our passion to raise the creative bar, build partnerships with integrity, and execute service excellence fosters solutions that exceed expectations from first touch to lasting impression.

Fluidity
in Design

THE **Slip Stream** COLLECTION IS AN EXCLUSIVE LINE OF COORDINATED DOOR AND BATH HARDWARE. WITH A FLUID, DYNAMIC FORM THAT INVITES YOU TO TOUCH, SLIP STREAM'S SOFT ANGLES, GLIDING CONTOURS, AND COORDINATED METAL FINISHES LEND DISTINCTION AND GRACE TO THE REFINED INTERIOR.

PAGES
**46 &
120–121**

Service & Experience

We believe in always putting the customer's needs first. It's a principle many companies aspire to but at Taymor it's ingrained deep in our DNA. For more than 70 years we've been building meaningful and trusted relationships with builders and their teams so we can support their ongoing success.

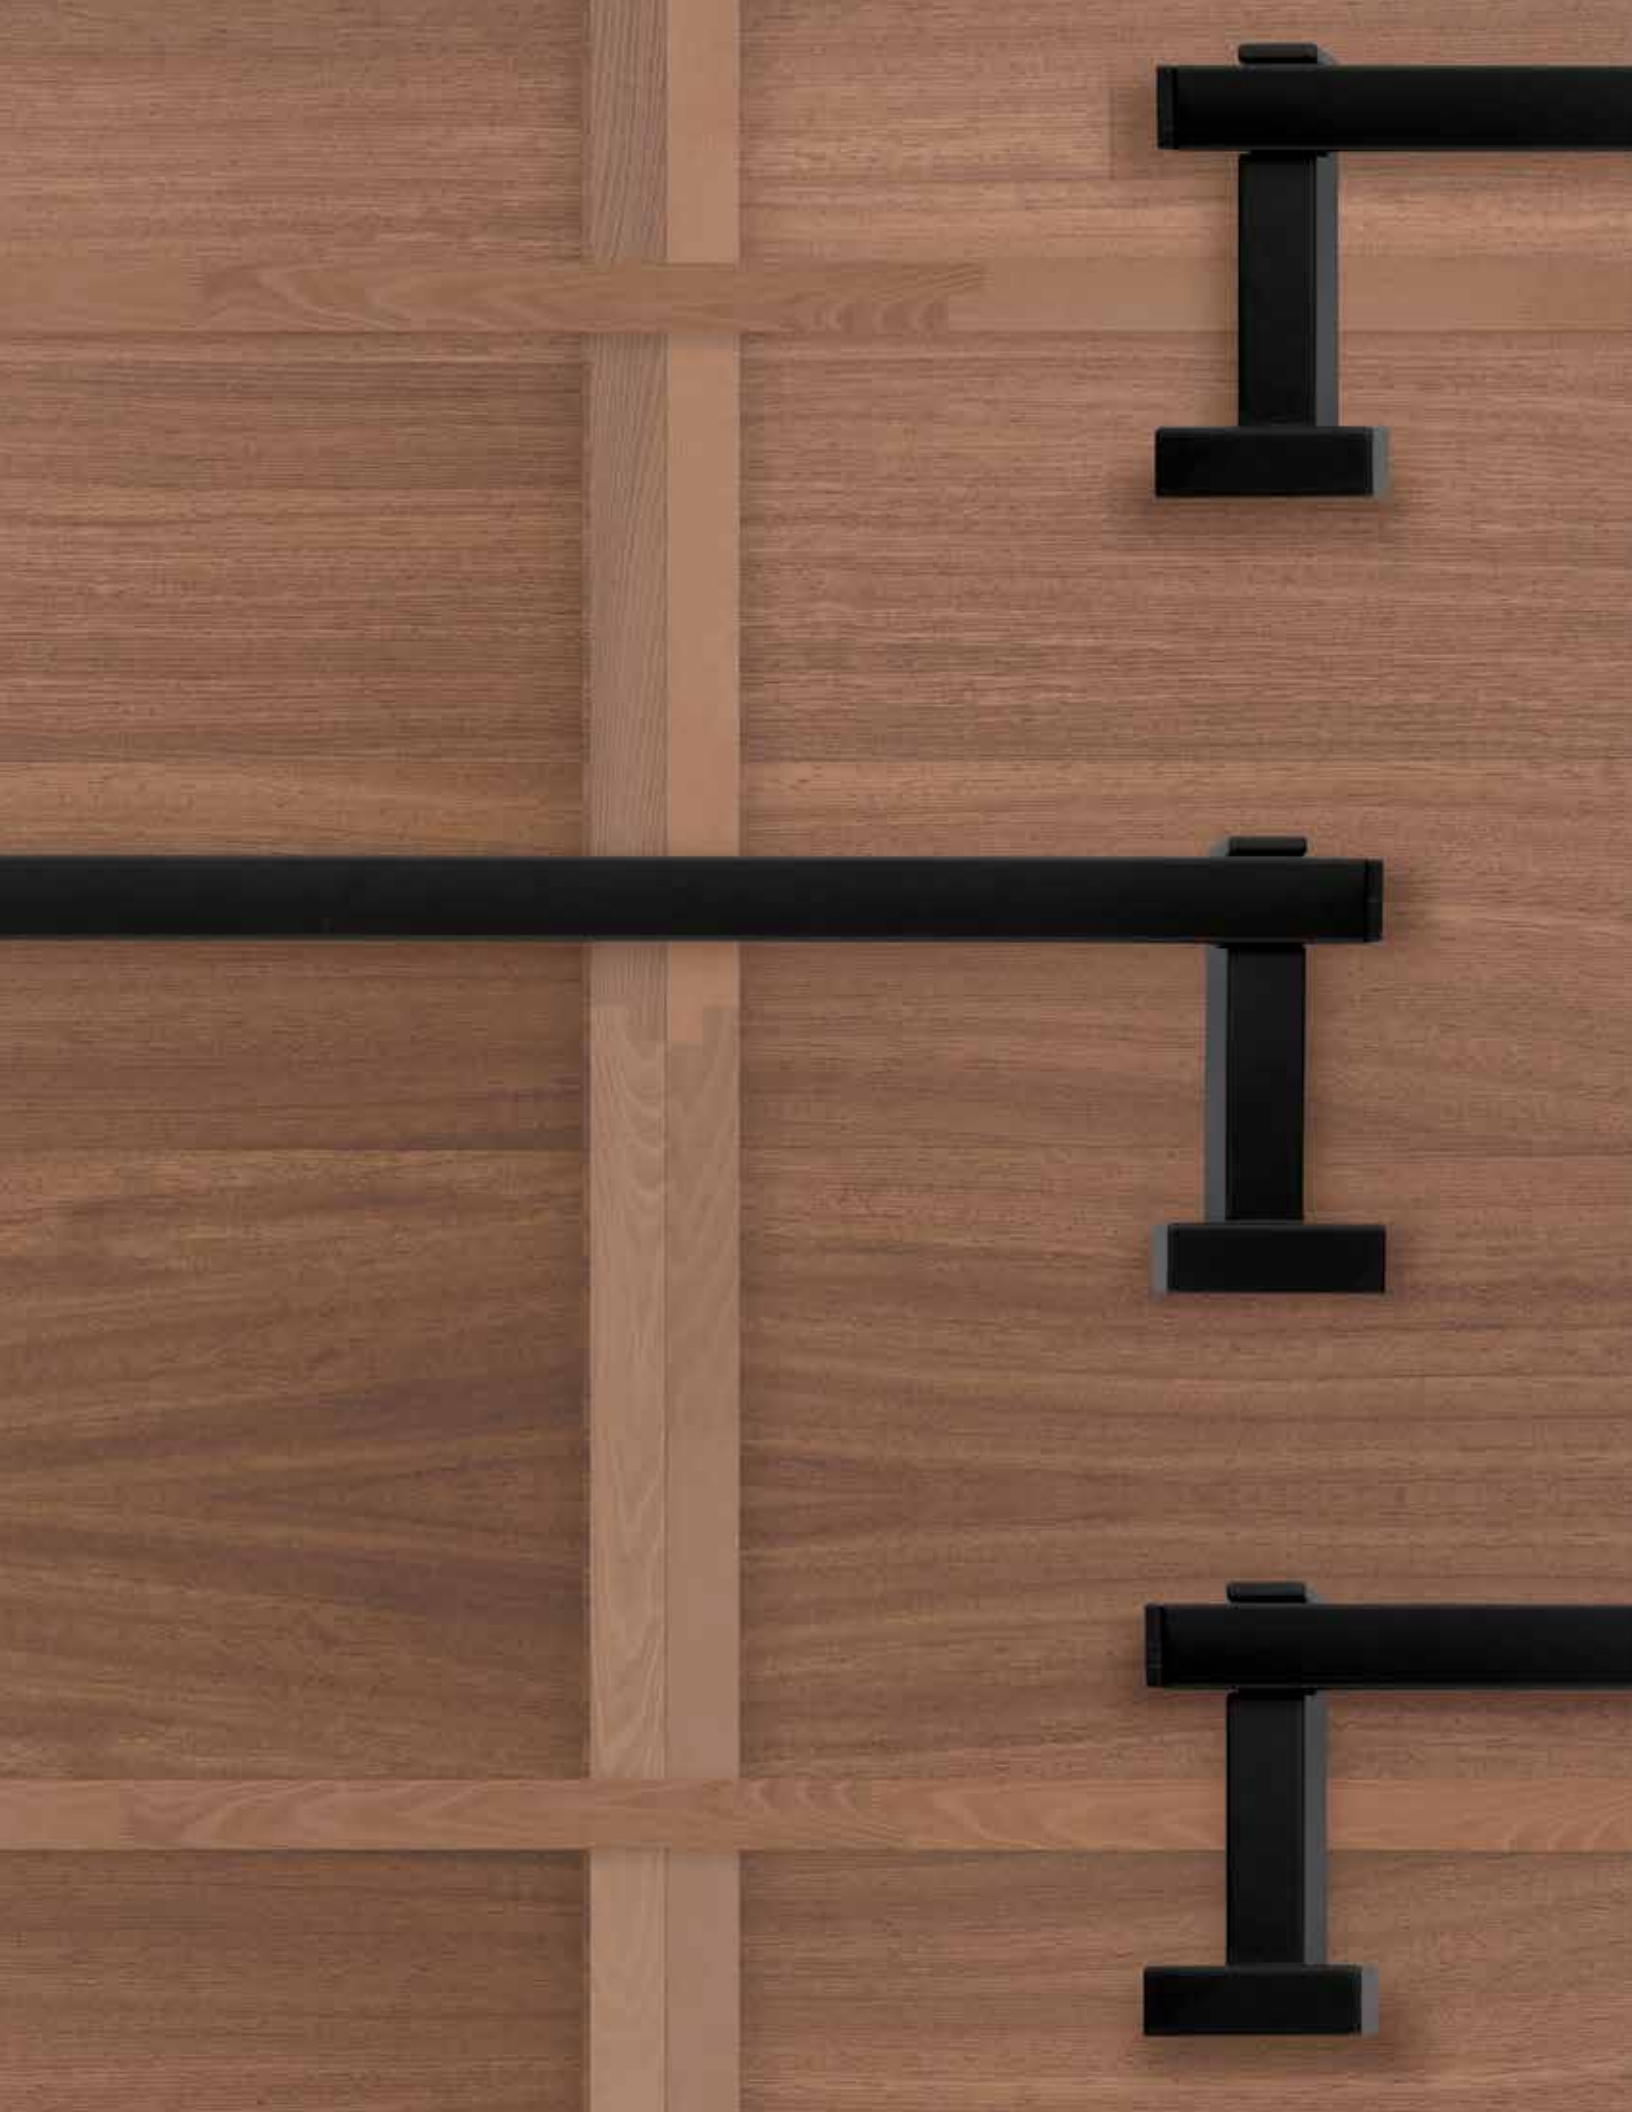

Timeless Design

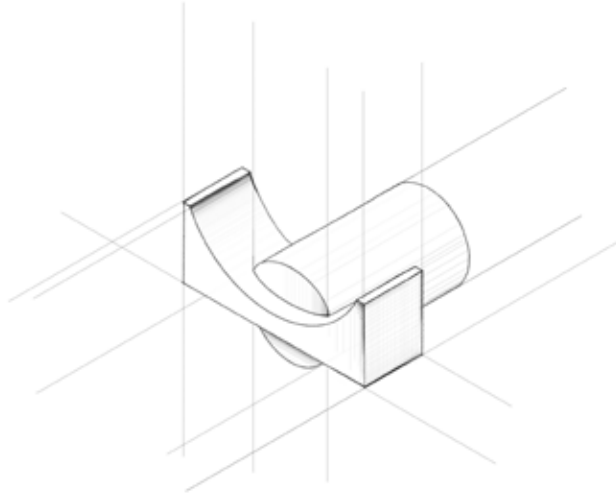

The background is a warm-toned wooden wall featuring a post-and-beam architectural style. A vertical wooden post runs down the center, intersected by horizontal wooden beams. Three black metal brackets, resembling T-shaped or L-shaped fasteners, are mounted on the wall. One is in the upper left, one is in the middle left, and one is in the lower left. The text is positioned to the right of the middle bracket.

THE **1948** COLLECTION BY TAYMOR
COMMEMORATES OUR FIRST YEAR IN BUSINESS.

Quality & Craft

We love the craft. That means creating lasting impressions from your very first touch. Our in-house product design teams continually refine and enhance products for durability, ease of install, and performance. The end result is tangible. A level of quality you can feel in your hand.

*“Always there when
you need them.”*

Working with Taymor, we know that a solution is only a call away. Whether we need new material or have an issue on a project, our Taymor representative is always available.

If there's a problem, Taymor probably knows about it before we do because they're in constant contact with the development site.

Our customers love value, but they're also very discerning. That's why Taymor's quality hardware and affordability make them a perfect extension of our brand.

ERIC ANDREASEN
SENIOR VICE PRESIDENT, SALES & MARKETING
ADERA DEVELOPMENT CORPORATION

**“Trust, reliability, and
a fresh approach to design.”**

RDG’s success is built in part on excellent relationships with our suppliers, and it’s why we value our long-term partnership with Taymor.

We want our consumers to have a good experience with us. That starts with superior design and function across all of our projects. Taymor helps us by consistently delivering high-quality, affordable hardware solutions.

We’ve worked exclusively with Taymor for twelve years, so we know what to expect. But Taymor’s unique and fresh approach to hardware also gives our interior designers the ability to create new and enhanced looks and feels for our spaces.

JOHN REMPEL
PRESIDENT
RDG MANAGEMENT LTD.

“Great relationship.
Great Company.”

Greystar is the global leader in rental housing. We design under an ethos of serenity, peace, and simplicity, and Taymor products fit the bill perfectly with their clean lines, simple profiles, and longevity.

Working with Taymor is always seamless. They make quality products that are elegant, affordable, and that complement the overall palette of our units while adding a touch of excitement.

NED DODINGTON

DIRECTOR OF DEVELOPMENT & DESIGN

GREYSTAR REAL ESTATE PARTNERS

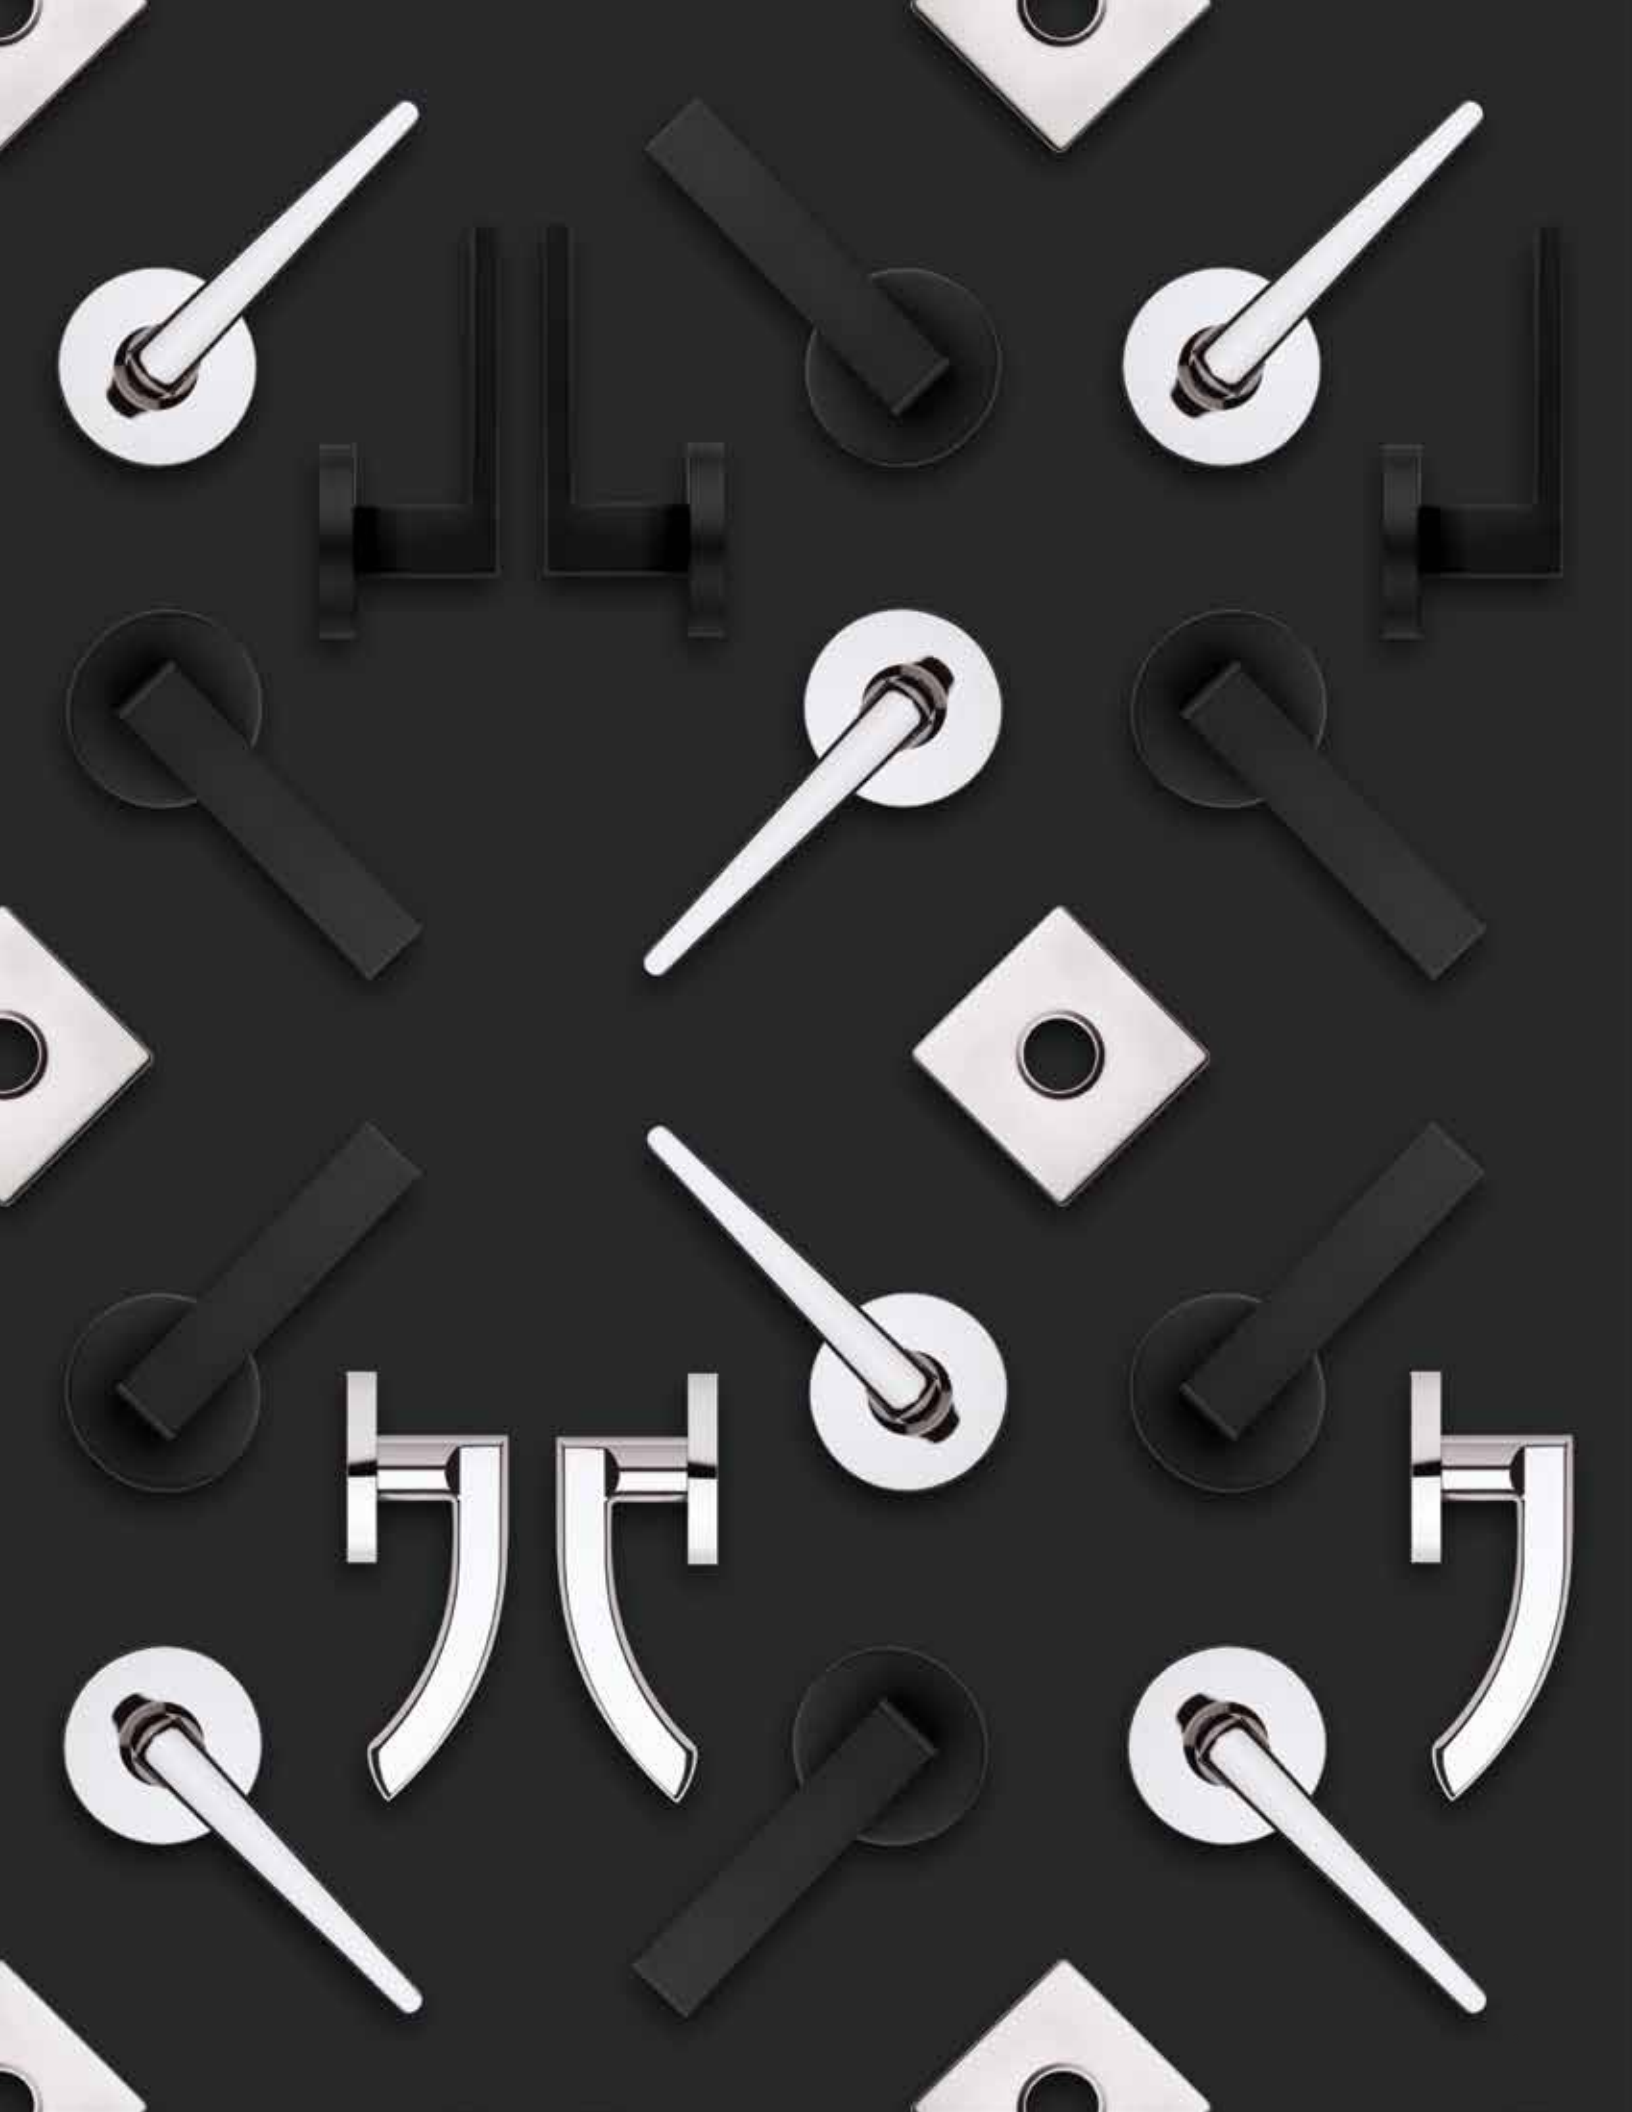

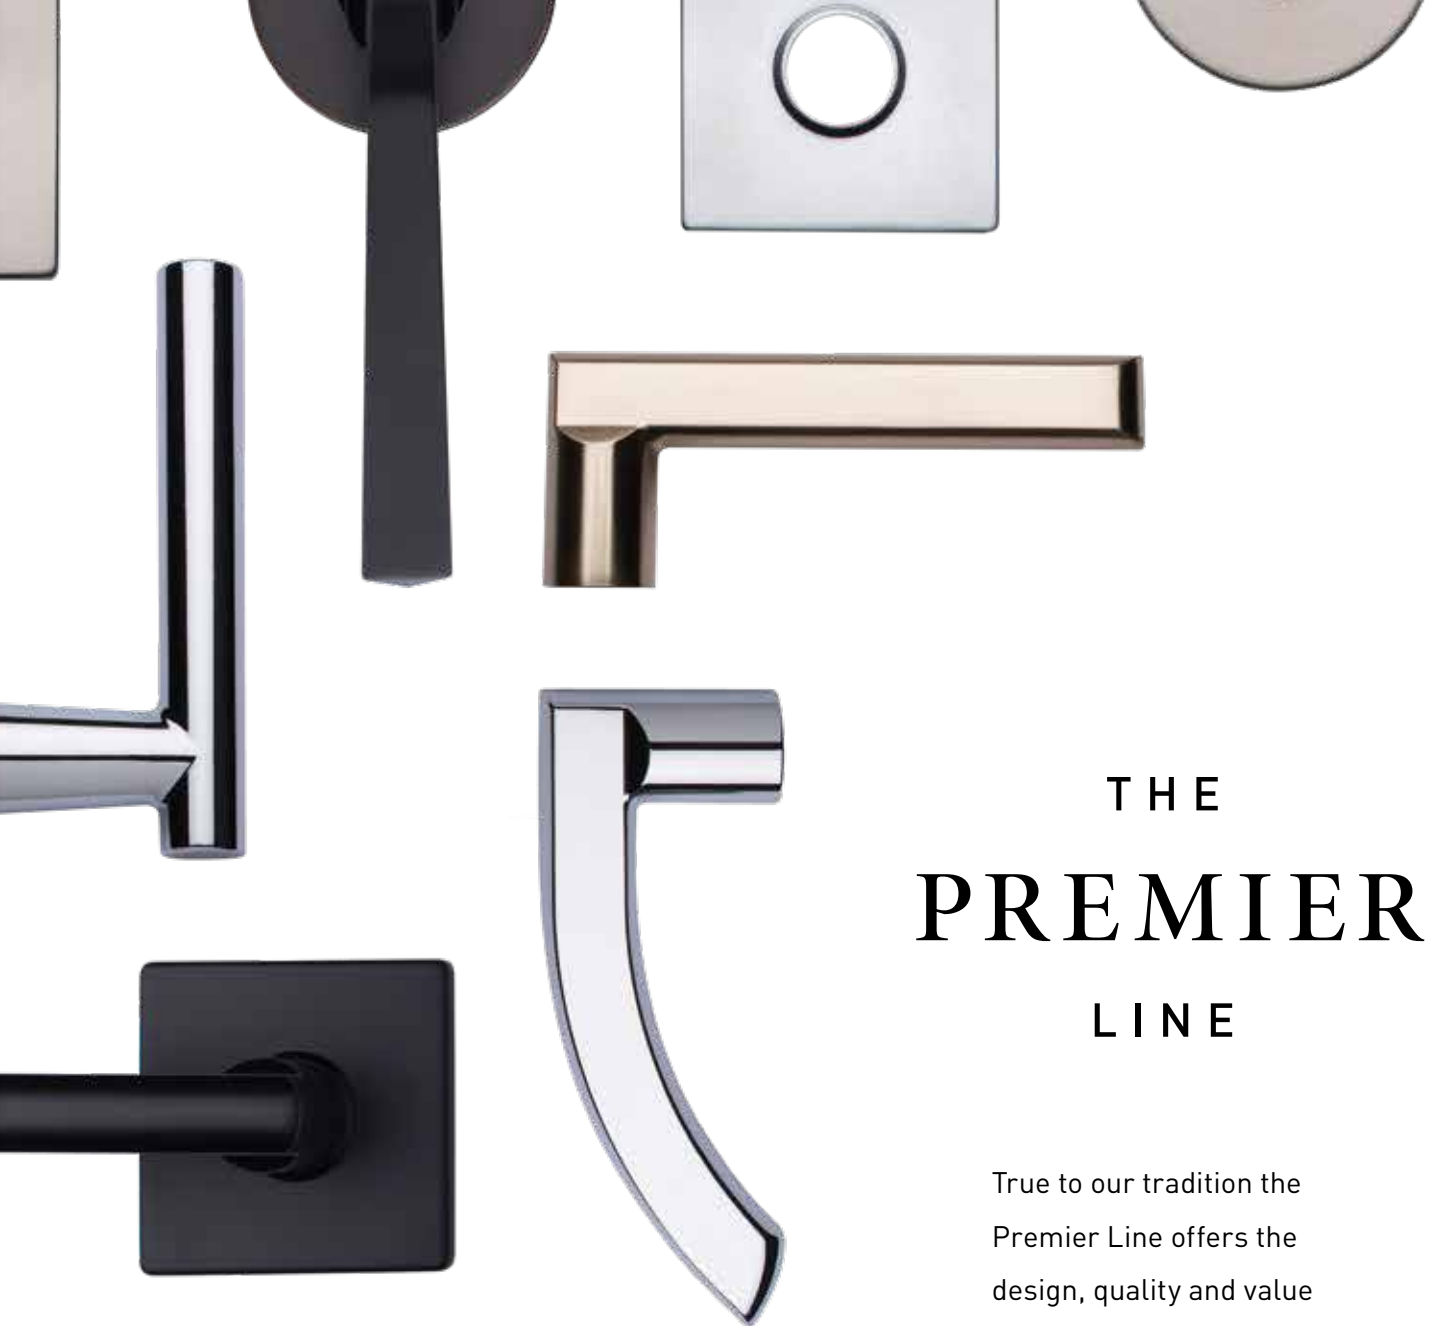

Trusted by Professional Builders

With decades of experience, we know the challenges residential construction projects face and the level of service builders and their project teams demand. We use our deep expertise in new construction to understand project needs, anticipate and solve issues, and deliver easy solutions.

DOOR
HARDWARE

THE PREMIER LINE

True to our tradition the Premier Line offers the design, quality and value you need with security, performance, and durability you can trust. From modern interior levers with collarless rose to solid Grade 1 certified mortise locks; our complete portfolio of Premier door hardware solutions makes it easy to accentuate any interior design and set multi-family building projects apart.

 Please contact your Taymor sales representative for details.

Interconnected Locks

With its modern design and soft square lines, the Taymor Premier Interconnected lock is a departure from standard commercial-style offerings. Designed for multi-family housing or anywhere simultaneous retraction is required. It can also be combined with select Premier Line levers, offering more than 4,000 different combinations of style, trim, and finish options.

1

Simultaneous retraction: simply press the lever to unlock and open your door from inside

2

Interchangeable with most Taymor Premier Line levers

3

Easily harmonize interior levers to coordinate with the unit entry door

4

Concealed screw mount for a streamlined look

Interior

Exterior with Square or Round Rose

Finishes

Notes

2
ANSI GRADE 2

 **LIMITED LIFETIME MECHANICAL & FINISH WARRANTY**

 **MEETS ADA STANDARDS**

 **FULL KEYING SERVICES AVAILABLE**
6-pin SC4 keyway, packaged keyed different

Pro/Key Program

Ensure safe and accurate key-control with our Pro/Key services. From a simple keyed alike system operated by one key, to a more complex multi-level grand master keying system, we work directly with design and development teams to identify the best keying options for the project. If you can't find a solution that works for your project, please contact our Sales team.

Keyway Options

Available in a Weiser WR5 5-pin keyway:

- Professional Series
- Builders Series
- Epic Series
- ProSet Series
- Premier Retail Pack Deadbolts

Available in a Schlage SC4 6-pin keyway:

- Premier Series
- Interconnected Locks
- Mortise Locks
- Professional Series Deadbolts
- Commercial Locks (WR5 keyway available on request)

Keying Options

Combination of Grand Master & Double Knockout Construction Keying

Customer Specific Keying Available

Additional Services

Custom logo keys

Custom escutcheon etching

Custom key stamping and cylinder marking

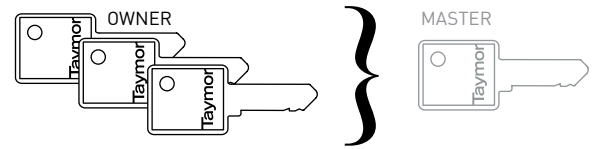

Minimum quantities and lead times apply. Please contact Taymor for details.

Keying Options

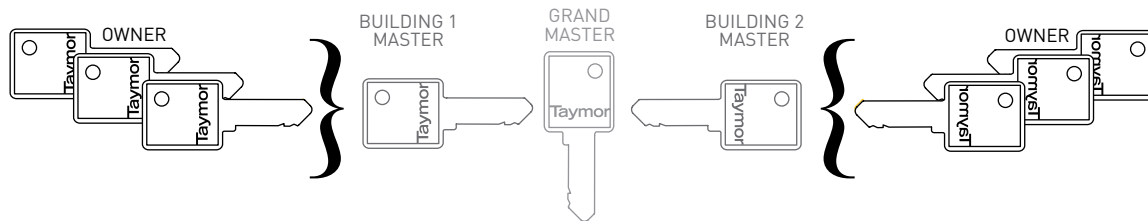

KEYED ALIKE (KA) systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

KEYED DIFFERENT (KD) systems are common in multi-family buildings where each unit opens with a unique key.

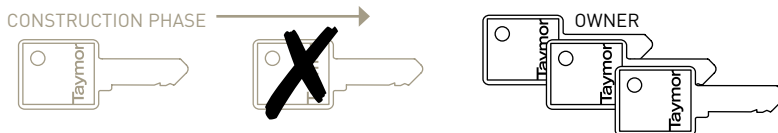

MASTER KEYING (MK) systems are common in multi-family, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

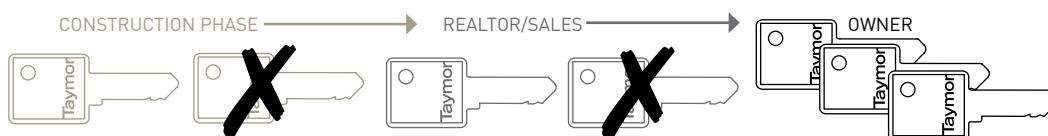

GRAND MASTER KEYING (GMK) allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

CONSTRUCTION KEYING (CK) allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK) adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

Exterior Hardware

Whether you're looking to add efficiency or wanting to make a great first impression, Taymor exterior hardware allows you to personalize your look and enhance the curb appeal of your home.

6" Backlit LED House Numbers

- › Warm bright light appearance: 3,200K
- › Durable, weather-resistant matte black metal
- › Connect up to 5 Backlit LED House Numbers

Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET | SATIN CHROME

MAKING THE GRADE

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware. The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1

ANSI GRADE 2

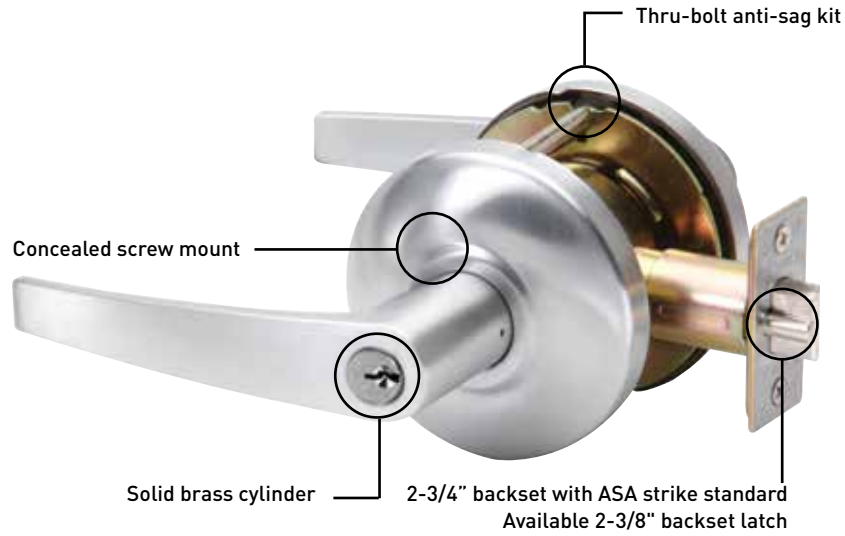

ANSI GRADE 3

Grade 1 is the strongest grade available for maximum duty commercial applications.

Grade 2 is designed and built to offer excellent security and durability for heavy-duty commercial applications.

Grade 3 offers reliable security for both residential and light-commercial projects.

Knight

Notes

ANSI/BHMA 156.2 grade 1
Maximum duty cylindrical construction

Grade 1 Deadbolt

Fully reversible lock

Concealed screw mount

Pro/Key Program

Ensure safe and accurate key-control with our Pro/Key services. From a simple keyed alike system operated by one key, to a more complex multi-level grand master keying system, we work directly with design and development teams to identify the best keying options for the project. If you can't find a solution that works for your project, please contact our Sales team.

Keyway Options

Available in a Weiser WR5 5-pin keyway:

- Professional Series
- Builders Series
- Epic Series
- ProSet Series
- Premier Retail Pack Deadbolts

Available in a Schlage SC4 6-pin keyway:

- Premier Series
- Interconnected Locks
- Mortise Locks
- Professional Series Deadbolts
- Commercial Locks (WR5 keyway available on request)

Custom logo keys

Custom escutcheon etching

Custom key stamping and cylinder marking

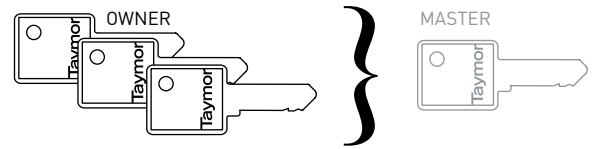

Minimum quantities and lead times apply. Please contact Taymor for details.

Keying Options

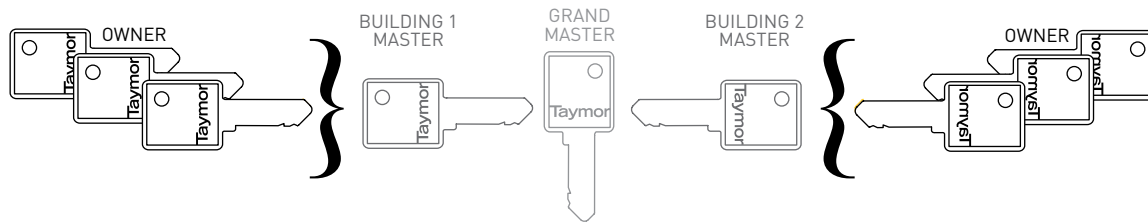

KEYED ALIKE (KA) systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

KEYED DIFFERENT (KD) systems are common in multi-family buildings where each unit opens with a unique key.

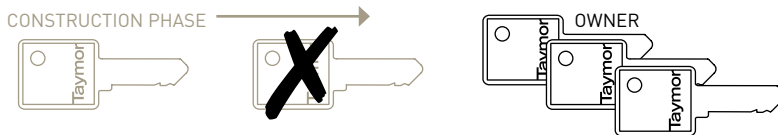

MASTER KEYING (MK) systems are common in multi-family, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

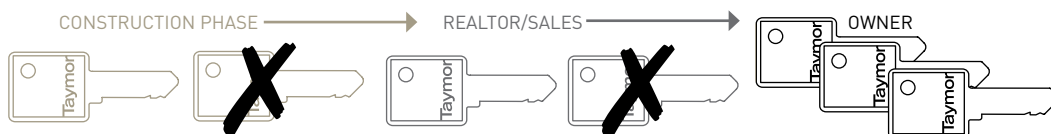

GRAND MASTER KEYING (GMK) allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

CONSTRUCTION KEYING (CK) allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK) adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

Escutcheon Etching

Add an escutcheon plate to entry doors as a decorative enhancement. Escutcheon plates can also be personalized with etching available for project orders.

*MINIMUM QUANTITIES AND LEAD TIMES APPLY. PLEASE CONTACT TAYMOR FOR DETAILS.

Handleset Customization

Customize the styling of any Taymor Premier or Professional Series® handleset with deadbolt, lever or knob interior trim options, a matching square or round decorative rose, and multiple finishes to match your other Taymor locks or home décor.

PLEASE NOTE: *The Strait handleset shown below is for illustrative purposes only.*

CUSTOMIZATION TIPS

- › Explore the catalogue to see all Premier and Professional Series® inside trim options
- › Coordinate the deadbolt interior trim with the decorative rose style (square or round)
- › Match all interior trim finishes for a streamlined look

OPTION 1 Upgrade to the Premier deadbolt interior trim, select a square or round version.

OPTION 2 Change the Manchester interior trim to a Professional Series® knob or lever of your choice. **NOTE:** Professional Series® Cross Flow & Pace Line Levers are not compatible as inside trim

OPTION 3 Change the decorative rose from round to square if you upgrade to a Premier interior trim. Consider coordinating with the deadbolt style and finish.

PLEASE NOTE: Explore the catalogue to see all inside trim options.

PLEASE NOTE: *Use a passage where interior trim does not exist. Use Vega and Bergen where Pace Line and Cross Flow are required.

PLEASE NOTE: Upgrade to a Premier knob or lever design. **NOTE:** Professional Series® interior trim options do not work with Premier handlesets.

HANDLESET CUSTOMIZATION

Fire Rating

20 MINUTE FIRE RATING - for Residential Locks that are fire rateable, denoted with  (excludes Interconnect and Mortise Locks that come 3-hour fire rated) - add **\$15.15** to the list price of the lock.

HOW TO ORDER

- › Use the existing item code with the fire rating code that matches the product line
- › Product item code + fire rating code
- › Use the table below and examples to the right to create an item code for the item you would like to fire rate

PRODUCT LINE	PREMIER	PROFESSIONAL	BUILDERS
FIRE RATING CODE	FC	FC	UL

EXAMPLES

The Premier Line

- › Vega passage lever in matte black:
30-D006434BLK+FC= 30-D006434BLKFC
- › Premier deadbolt in satin nickel:
30-D01SC402SN+FC = 30-D01SC402SNFC

Professional Series

- › Single cylinder deadbolt in satin nickel plate:
33-D420+FC = 33-D420FC

Builders Series

- › Orleans passage:
36-RD3805SN+UL = 36-RD3805SNUL

FAUCETS

SPELLBOUND FAUCET MATTE BLACK

Bathroom Faucets

Flawlessly sculpted to complement your personal style and preferences, Taymor faucets strike a balance between design, functionality, and value. Fresh style options with timeless design sensibilities and quality materials in a wide range of finishes ensure there is a bathroom faucet to enhance every style of basin, bathtub or shower.

FAUCET CERTIFICATIONS

At Taymor, we take high standards seriously.

We ensure our faucets have undergone rigorous quality control procedures and meet or exceed industry standards.

WaterSense® labeled fixtures meet the water efficiency specifications set forth by the Environmental Protection Agency (EPA) and help reduce water usage, without sacrificing performance.

Meets or exceeds the product safety and performance standards of the Canadian Standards Association.

Products bearing the cUPC® mark are listed with the International Association of Plumbing and Mechanical Officials (IAPMO) and are in compliance with applicable North American codes and standards.

Taymor adheres to the Americans with Disabilities Act (ADA) to ensure accessible design for all.

NSF / ANSI 61/9
NSF / ANSI 372

Our fixtures are low lead compliant while meeting the National Sanitation Foundation (NSF) standards for lead content unless stated otherwise.

Warranty Information

DOOR HARDWARE & COMMERCIAL LOCKS & HARDWARE WARRANTY

Taymor is pleased to offer a Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or the use of corrosive or abrasive cleaning agents. This warranty is non-transferable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below. Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

BATH HARDWARE & FAUCETS WARRANTY

Taymor is pleased to offer a Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

Taymor recommends using a certified plumber for installation and repair of faucets.

****Taymor Fundamentals faucets are backed by a 1 Year Limited Warranty from date of purchase**

CARE & CLEANING TIPS

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

DO: Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.

DON'T: Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.

For additional information or questions regarding Taymor warranties, please contact our Customer Service team:

Terms & Conditions

TERMS

All terms and conditions are subject to change without notice. Invoices are due Net 30 days from date of invoice. Past due accounts are subject to a service charge of 2% per month.

FREIGHT

Taymor Warehouse orders are prepaid as per the following grid.

PREPAID FREIGHT ON ORDERS

\$500 or more	for British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, New Brunswick, Nova Scotia & Prince Edward Island
\$750 or more	for Northern Ontario, Northern Quebec & Newfoundland/Labrador

All orders to the Northwest Territories, Yukon & Nunavut are FOB Taymor unless otherwise specified

Warehouse orders not meeting the minimums specified above are FOB Taymor warehouse. Unless the method of transportation is specified at the time of order, we will use the most cost effective carrier available. Container Direct orders are not covered by the above. All freight specifics for Container Direct will be detailed at the time of order.

BACK ORDERS

Back orders will be shipped prepaid. If back orders are not desired, please specify on your original order.

SHORTAGES & OTHER IRREGULARITIES

Unless Taymor is notified within 5 days of receipt of shipment of any shortages or irregularities regarding quantities shipped, terms or conditions of sale, it will be assumed that the customer has accepted the order as shipped and invoiced. **Customer must initiate and file a claim with the carrier for missing or damaged goods, as the carrier is responsible once they sign the bill of lading. Please note any discrepancies on the carrier's delivery slip before accepting shipment and request an inspection by the carrier.**

RETURNED GOODS POLICY

- › Taymor considers all sales final.
- › All returns require prior authorization. Please include R.G.A. # (Returned Goods Agreement #) in each box returned complete with: item #, description, quantity, condition of goods and freight responsibility.
- › All documentation including packing slips, waybills and claims must prominently state the R.G.A. #.
- › All unauthorized returns are subject to a 30% restocking charge, if accepted by Taymor.
- › Please contact your sales representative for further information.
- › All returned goods must be in saleable condition. Products/Goods returned in shop worn or severely damaged condition and/or missing parts will not be accepted. Please contact your Taymor Sales Associate for inspection and resolution prior to returning.
- › Products that have been purchased over 12 months prior to a return are subject to review by the Taymor Sales Associate prior to shipping to Taymor warehouses.
- › Discontinued and special order items cannot be returned.
- › Return transportation must be prepaid by the customer.
- › All credits will be issued at the invoiced price at the time of original purchase.

PRICES

All prices are subject to change without notice. Errors and omissions are subject to corrections. Merchandise will be shipped at prices in effect at time of receipt of order. All prices are exclusive of GST/HST/QST and other taxes that may apply.
